Sue-Anne Wearmouth, Principal of SAWBRAND Design has 35 years of interior design experience, with a career encompassing diverse and challenging projects in the residential, commercial, healthcare, hospitality, multifamily and retail sectors.

As a former Partner and Director of Interior Design with two large national architectural firms, Sue-Anne has a vast project portfolio and proven abilities as a facilitator of innovative, effective, efficient, award-winning interior environments. She has extensive interior design experience that includes programming, space planning, concept design and development, contract document production and construction supervision.

Working closely with stakeholders and user groups, she very effectively defines creative solutions for her clients' vision and their specific requirements.

In addition to being an entrepreneur, Sue-Anne was an interior design/business instructor in the Faculty of ID, at MRC (now Mount Royal University) for 15 years, and for 5 years at the U of C Continuing Education Department. This commitment to the academic arena of interior design allows for a continued avenue of research and development, as well as mentoring and coaching new designers.

Sue-Anne has also achieved great success in the translation of corporate branding to the interior environment, for clients such as Savanna Energy, Co-operator's Insurance, Momentum (a NFP organization) Oasis Spa & Wellness Centre, Canada Lands, E-Compliance and Kananaskis Country Golf Course, in addition to numerous outstanding residential projects.
